### Profile

Brittany works with our Capital Markets, Securities, Mergers & Acquisitions team to assist public and private clients with a range of services, including incorporations, amalgamations, corporate changes, share purchase and sale transactions and corporate restructuring. Brittany also works on various types of securities matters, including private placements, mergers and acquisitions and plans of arrangement.

Brittany prides herself on being organized, solutions-oriented, and able to think practically and creatively when servicing clients. This area of law evolves rapidly, so Brittany diligently stays up to date with the current laws, policies and regulatory bodies that govern our clients' transactions. These include the Business Corporations Act (British Columbia), the Toronto Stock Exchange, TSX Venture Exchange, and the Canadian Securities Exchange.

Before starting her paralegal career, Brittany studied criminology. Her prior experiences provide Brittany with exceptional research skills and the ability to manage multiple tasks with competing deadlines. Today, Brittany enjoys the intellectual challenge and personal fulfillment that comes with working on files in the capital markets and securities field.
