

We Invite You To Attend Our Upcoming

HOT TOPICS SEMINAR ON STOCK OPTIONS

On behalf of Manning Elliott LLP, Accountants and Business Advisors, we invite you to attend their upcoming **Hot Topics Seminar on Tax Issues Relating to Stock Options** on May 18th, 2016 from 3pm to 5pm in the English Bay room at the beautiful Hyatt Regency in downtown Vancouver.

The seminar will focus on the following topics:

- Stock options explained – strategies and pitfalls.
- Stock option tax planning and considerations from the individual and corporate perspective.
- Modification and repricing of stock options issued and outstanding.

MEET OUR PRESENTERS

Joseph Bonvillain, CPA, CA – Manning Elliott LLP

Joseph Bonvillain is a partner at Manning Elliott LLP. He provides audit and tax advisory services to public and private companies, especially those in the mineral resources, investment, science, and technology industries. Joseph has extensive experience in providing solutions to IFRS and US GAAP financial reporting issues.

Norm MacKay, CPA, CA – Manning Elliott LLP

Norm MacKay is a principal in Manning Elliott's Tax Group and provides cross-border tax advisory, estate planning and business succession services to organizations in an array of diverse industries. Throughout his career, which spans over 35 years, he's worked for both international and mid-sized accounting firms.

Virgil Hlus, Lawyer - Clark Wilson LLP

Virgil Hlus is a partner of the firm, Chair of the Mergers & Acquisitions Groups and Co-Chair of the Corporate Finance & Securities Group. He has a varied practice, focusing on cross-border and international corporate finance, securities and transactional matters, with a particular emphasis on mining and technology.

Angela Blake, Lawyer – Clark Wilson LLP

Angela Blake is a partner with the firm's Corporate Finance & Securities and Mergers & Acquisitions Groups. She advises public and private companies based in Canada and internationally in a wide range of sectors, including technology, mining, apparel and life sciences. Angela also advises securities dealers with respect to transactional work, initial public offerings and private placements.
