Profile

Fair outcomes that mitigate and manage risk. This is the benchmark of Meera's insurance litigation practice. With her strong business acumen and friendly demeanor, she is able to make these results possible for our clients.

Meera's ability to break legal complexities down and articulate it in a manner that is easily understood allow clients to feel engaged, well-informed and make strategic decisions. This approach allows her to provide lucrative solutions for her clients.

Services

- > Subrogated claims against third parties
- > General liability claims
- > Defence of out of province auto claims
- > Fire claims
- > Insurance coverage advice
- > Professional indemnity claims
- > Bad faith claims
- > Complex liability defence and multi-party litigation
- > Underwriting advice, policy wording drafting and product development

Her Master's Degree in Business Administration provides Meera with a unique ability to approach insurance litigation from a business perspective, allowing her to better serve our clients' legal needs.

Fostering positive relationships with all parties involved in a legal dispute is one of Meera's top priorities. Maintaining a respectful dialogue with opposing counsel has allowed Meera to negotiate numerous settlements to the benefit of our clients. This helps keep costs, turmoil and loss as low as possible.

Litigation can often be a painful process. Meera's ability to resolve legal disputes with efficiency gives our clients the ability to remain focused on their business.
