

- > Committeeship applications
- > Breach of fiduciary duty
- > Executor and trustee compensation
- > Construction of wills applications

Zachary's analytical mindset allows him to effectively evaluate large amounts of data and handle all aspects of the litigation process. This includes case management and client reporting, pleadings, document production and analysis, examinations for discovery, expert engagement, chambers applications, settlement negotiations, mediations, and, when necessary, trial.

Zachary is motivated by the opportunity to impact the lives of his clients, colleagues and community members through his law practice.
