### Profile

The global marketplace is a rapidly changing arena filled with entrepreneurs seeking commercial growth to help shape our economy. Angela helps our clients navigate the securities regulatory landscape by providing practical solutions to complex legal issues and by ensuring that transactions are completed with efficiency and a positive outcome.

Angela understands the challenges that business owners face on a daily basis. Having worked at a large national firm and with a background in financial services, Angela delivers value to her clients by leveraging her experience to provide clients with strategic advice and by delivering creative solutions to help advance her clients' business goals.

Angela takes pride in her clients' success and over the course of her career, has had the privilege of working with entrepreneurs and businesses across a variety of industries including the natural resources, technology, and life sciences sectors.

Angela advises her clients on a wide range of corporate and securities matters. Her practice focuses primarily on private and public equity financings, initial public offerings, reverse takeovers, qualifying transactions, continuous disclosure obligations and regulatory compliance, corporate governance, corporate reorganizations and commercial agreements.
