Profile

From contract negotiation to policy development, Nadia's multi-disciplinary practice provides strategic legal advice servicing public bodies, boards, and various private organizations across a variety of industry sectors, with a particular focus in the post-secondary and entertainment sectors.

Nadia was previously in-house counsel at one of British Columbia's largest universities where she worked closely with various groups including management, administration, faculty and staff. Prior to that, Nadia was in private practice as production counsel for a number producers and studios in the film and television industry, advising on a full range of matters through the development, financing, production, and distribution stages. This industry experience and client insight has provided Nadia with the necessary knowledge, understanding, and tools to provide practical and tailored legal advice to help her clients achieve their goals.

Services

- > Governance and regulatory compliance
- > Privacy and freedom of information
- > Contract drafting and negotiation

- > Policy development, drafting and implementation
- > Legal liability and risk management
- > Content licensing and distribution agreements
