Profile

My summer experience at Clark Wilson was filled with challenging work and amazing people. I had the opportunity to work on interesting and meaningful tasks in a broad range of practice areas. Every task was challenging and rewarding, pushing me to grow and succeed. I appreciated getting the opportunity to interview clients, observe trial, draft court applications and research vital legal issues. Most importantly, I appreciated every lawyer and staff member at the firm. Since the very beginning, I felt comfortable asking questions, and getting to know my colleagues. The Clark Wilson team cared about my success, and supported me throughout the summer. I am thrilled to be returning to Clark Wilson for my articles.
