Profile

Karolynn is a member of our Insurance and Infrastructure, Construction and Procurement groups, where she primarily works with clients on matters involving personal injury, house fires, floods, contract disputes, and builders' liens.

She understands that clients want practical and cost-effective resolutions when they face conflict.

Our clients appreciate Karolynn's meticulous attention to detail, her calm and professional demeanour, and her willingness to go the extra mile to provide excellent service.

Karolynn began her professional career as a legal administrative assistant, where she honed her organizational skills and understanding of the legal ecosystem for over five years. Inspired by her grandmother, whose successful paralegal career spanned over 40 years, Karolynn followed in her footsteps and earned her paralegal certificate.

This progressive trajectory has given Karolynn first-hand experience working on files from beginning to end and benefits our clients because she can quickly anticipate and prepare for the next steps in their cases.
