Profile

I had an absolutely incredible summer at Clark Wilson. The level of support and mentorship I received from the lawyers, legal assistants, paralegals, and my fellow students surpassed all expectations. Throughout the summer, I was consistently guided and mentored by the lawyers I worked with, and I always felt supported. Clark Wilson went above and beyond to ensure that I had everything I needed to succeed and thrive within the firm. One of the highlights of my summer at Clark Wilson was the opportunity to actively engage in a diverse range of practice groups. I had the privilege of working with the securities group on an initial public offering matter, drafting letters for the family group, observing chambers applications, and even writing an article for the estates and trusts group. The exposure to such a broad spectrum of legal work was both enriching and rewarding. As a result, I look forward to the opportunity to return to Clark Wilson for my articles, where I can continue to contribute and grow.
