Profile

In British Columbia, 98% of businesses are small businesses. These companies employ over 1 million people across our Province and are an integral part of our urban and rural economic development.

With a keen interest in BC's dynamic business landscape and an entrepreneurial mindset, Teio is deeply committed to helping his private company clients achieve their greatest commercial ambitions.

Teio believes that a collaborative approach is the key to success. By taking the time to understand the inner workings of his clients' operations, he is able to craft goal-oriented legal solutions that seamlessly align with their business objectives. He is inspired by their passion for creating sustainable business growth and is tenacious in helping them get from A to B.
