Profile

Technology is rapidly changing the legal services industry. As our Director of Information Technology, Don leads our firm in providing security across our technology operations and platforms in ways that deliver client value.

Don joined our management team in 1995 and works with senior management and lawyers to safeguard our clients' confidential information. Don's priority is keeping current with the ever-evolving technology climate to protect and secure the safety and security of our clients' information while deploying technologies that create service efficiencies for our clients.

Don is an active member of the British Columbia Legal Management Association and is an alumnus of Simon Fraser University.
