Profile

The accounting function plays a central role at the firm. As Controller, Arnold is responsible for managing the day-to-day operations of the accounting team and implementing financial policies and processes used by the firm. He works with senior management to ensure strategic objectives are achieved through financial reporting and analysis and ensures compliance with regulatory agencies.

Arnold joined Clark Wilson in 2020 with over 20 years of law firm management experience. His accounting, technology, and operations background provide him with a big picture management perspective, and the ability to streamline operations, drive efficiencies, and implement core strategies within our accounting department.

Arnold is a Chartered Professional Accountant and holds a Bachelor of Business Administration degree from Simon Fraser University.
