Profile

In an industry as fast-paced as real estate, responsive, detail-oriented legal service can be the difference between a successful project and a delayed one. As part of our Commercial Real Estate Team, Grace understands this well and is committed to providing efficient and reliable service to help our clients achieve their goals.

Grace helps our lawyers by preparing legal documents, undertaking due diligence and assisting with the management of client transactions from start to finish. Grace possesses a strong work ethic, routinely takes the initiative and is capable of multitasking to meet deadlines in a fast-paced environment. These attributes, combined with her keen understanding of the importance of providing practical, creative and cost-effective service, make her a valuable member of the team.

Real estate is a great fit for Grace. She finds satisfaction in the continued success of our clients and is honoured to work on the projects that shape our community.
