Profile

I am excited to be back at Clark Wilson for my articles. My summer experience at Clark Wilson was very enriching and I am looking forward to building on the skills and relationships I developed last summer during my articles. In my articles so far, I have had the opportunity to draft applications, write written submissions, attend chambers, appear in provincial court, and prepare various letters and blogs. I have always felt included at Clark Wilson and that continue to ring true. The wide variety of work I have been able to do during my articles at Clark Wilson has kept me intellectually stimulated and I can't wait to see what experiences the rest of my articles will bring.
