

Laura Fernandes

Paralegal

Estates & Trusts

604.687.5700 Int. 3228
lfernandes@cwilson.com

Profile

Laura assists with all manner of estate planning and estate administration. With meticulous attention to detail, she specializes in preparing wills, powers of attorney, and representation agreements, preparing probate applications, and handling other estate planning and administration matters.

With a legal background focused on litigation, Laura has a strong understanding of the importance of accurate and thorough estate planning for protecting the wishes of our clients and future estate administration.

In addition to her legal expertise, Laura has studied psychology and sociology and is deeply interested in understanding the human condition. With her experience and understanding of both the legal and human aspects of an estates practice, she brings a personable and compassionate approach to her work, supporting our clients during sensitive and challenging times.
