Profile

Karyn leads our Facilities and Operations services, ensuring our offices run seamlessly and provide a safe, efficient, and welcoming environment for our people and clients. She oversees day-to-day office operations, manages vendor relationships, and supports space planning, security, and workplace safety initiatives across the firm.

With more than 20 years of experience in facilities management and workplace services, Karyn is known for her ability to coordinate complex projects, implement effective processes, and guide her team in delivering proactive support. Her focus on operational excellence allows our lawyers and staff to concentrate on delivering exceptional client service.

Karyn takes pride in creating a workplace where both clients and colleagues can feel supported, knowing that every detail has been thoughtfully managed behind the scenes.
