Profile

Satinder views every file as an opportunity to advocate for clients while working to achieve a favourable and economical resolution of the construction or insurance matter at issue.

The construction clients that Satinder works with bring projects to life proficiently. The insurance clients that she works with manage a large volume of claims with expertise and efficiency. Satinder mirrors these qualities in her practice, ensuring that clients can execute their projects and resolve their claims in a timely and skillful manner.

Work Highlights

Satinder's guiding goal is to always achieve the best possible result, advancing clients' interests to their furthest extent through skilled and considered action.

Insurance Litigation Services

- > Coverage advice and defense of coverage denials
- > Defense and subrogation of property damage claims, including fire loss and environmental contamination
- > Defense of personal injury claims, including orthopaedic injuries, traumatic brain injuries and psychological disorders

Construction Litigation Services

- > Builders' lien claims
- > Contract disputes
- > Construction delay and deficiency claims
- > Surety bond claims
- > Insurance coverage
- > Strata property disputes

Satinder has appeared at all levels of BC court, where she devotes methodical attention to every detail of a file to formulate thoughtful and effective strategies that bring success.

Satinder immerses herself in our clients' businesses, whether they are developers, design professionals, contractors or any number of companies or individuals dealing with an insured loss. The list is vast and varied as to the types of businesses and individuals with which Satinder gets to engage. This experience allows her to better help clients both defend claims and pursue them.

Satinder takes her work as a personal reflection and always wants that image to be positive. This means working smartly and diligently to ensure that every work product is a reflection of which she is proud.

Satinder finds it rewarding to help clients successfully face legal challenges so that they can get back to enjoying their lives beyond litigation.
